

## 1.3 PERMIT APPLICATION CHECKLIST

|                       |                          |
|-----------------------|--------------------------|
| <b>Project Name:</b>  | <b>Property Address:</b> |
| _____                 | _____                    |
| <b>Owner-Builder:</b> | <b>Parcel/Tax ID #:</b>  |
| _____                 | _____                    |
| <b>Jurisdiction:</b>  | <b>Date Started:</b>     |
| _____                 | _____                    |

**INSTRUCTIONS:** This checklist tracks all required permits for your construction project. Each jurisdiction has different requirements - verify with your local building department. Track application dates, fees paid, approval dates, and any resubmittal requirements.

### BUILDING PERMIT (PRIMARY)

|                                  |                                                                                                |
|----------------------------------|------------------------------------------------------------------------------------------------|
| <input type="checkbox"/>         | <b>Required Items / Action Steps</b>                                                           |
| <b>DOCUMENTS TO SUBMIT</b>       |                                                                                                |
| <input type="checkbox"/>         | Complete building permit application form (jurisdiction-specific)                              |
| <input type="checkbox"/>         | Owner-builder affidavit/declaration (notarized if required)                                    |
| <input type="checkbox"/>         | Proof of property ownership (deed or title)                                                    |
| <input type="checkbox"/>         | Architectural plans (foundation, floor, elevation, cross-section) - _____ <b>sets required</b> |
| <input type="checkbox"/>         | Structural engineering plans (if required) - stamped by licensed PE                            |
| <input type="checkbox"/>         | Energy compliance calculations (RESCHECK or equivalent)                                        |
| <input type="checkbox"/>         | Site plan showing property boundaries, setbacks, easements, building footprint                 |
| <input type="checkbox"/>         | Property survey (recent, stamped by surveyor)                                                  |
| <input type="checkbox"/>         | Soil/geotechnical report (if on challenging terrain)                                           |
| <input type="checkbox"/>         | Builder's risk insurance certificate                                                           |
| <input type="checkbox"/>         | General liability insurance certificate                                                        |
| <input type="checkbox"/>         | Workers' compensation exemption or coverage proof                                              |
| <input type="checkbox"/>         | HOA/covenant approval (if applicable)                                                          |
| <b>SUBMISSION &amp; TRACKING</b> |                                                                                                |
| <input type="checkbox"/>         | <b>Application Submitted:</b> _____ <b>By:</b> _____                                           |

|                          |                                                                                                                                 |
|--------------------------|---------------------------------------------------------------------------------------------------------------------------------|
| <input type="checkbox"/> | <b>Required Items / Action Steps</b>                                                                                            |
| <input type="checkbox"/> | <b>Permit Fee:</b> \$ _____ <b>Paid Date:</b> _____ <b>Receipt #:</b> _____                                                     |
| <input type="checkbox"/> | <b>Estimated Processing Time:</b> _____ weeks                                                                                   |
| <input type="checkbox"/> | <b>Plan Review Comments Received:</b> _____ <b>Corrections Needed:</b> <input type="checkbox"/> Yes <input type="checkbox"/> No |
| <input type="checkbox"/> | <b>Resubmittal Date (if needed):</b> _____ <b>Resubmittal Fee:</b> \$ _____                                                     |
| <input type="checkbox"/> | <b>PERMIT APPROVED:</b> _____ <b>Permit #:</b> _____                                                                            |
| <input type="checkbox"/> | <b>Permit Expiration Date:</b> _____ (Renew before expiration!)                                                                 |

**ELECTRICAL PERMIT**

|                                  |                                                                                 |
|----------------------------------|---------------------------------------------------------------------------------|
| <input type="checkbox"/>         | <b>Required Items / Action Steps</b>                                            |
| <b>DOCUMENTS TO SUBMIT</b>       |                                                                                 |
| <input type="checkbox"/>         | Electrical permit application                                                   |
| <input type="checkbox"/>         | Electrical plan/diagram showing panel, circuits, outlets, switches, fixtures    |
